

**REMARKS/ARGUMENTS**

Claims 1-27 are pending in the application. By this amendment, claim 2 is being amended to correct a typographical error therein. More specifically, "ply-crystallize" is being corrected to read "poly-crystallize".

This amendment is being filed in connection with an RCE (Request for Continued Examination) which re-opens prosecution of the application so that papers cited in a corresponding Korean application can be considered and made of record. Such papers are cited in an enclosed Information Disclosure Statement.

Therefore, reconsideration and allowance are respectfully requested.

In view of the foregoing, it is respectfully submitted that the application is in condition for allowance. Reexamination and reconsideration of the application, as amended, are requested.

If for any reason the Examiner finds the application other than in condition for allowance, the Examiner is requested to call the undersigned attorney at the Los Angeles, California telephone number (213) 337-6846 to discuss the steps necessary for placing the application in condition for allowance.
